

ELEVATED SPIRITS WITH DEEP ROOTS

WEDDING GATHERINGS AT VIKRE

We love celebrating weddings with you at the distillery! Because our spaces are small and work best for informal cocktail receptions, we find that couples who initially chat with us about hosting a large wedding reception often end up adding a smaller, informal gathering at Vikre into their wedding week plans. Some ideas we've loved:

- **A pre-wedding** "welcome to Duluth" cocktail reception for friends and family a day or two before the ceremony.
- **A casual, outdoor** rehearsal dinner on our harborside patio. Rather than a formal sit-down dinner, think appetizers, cocktails, and harbor views!
- **An intimate toast** just for the wedding party between the ceremony and the reception—a fun way to say "thanks" and a great photo opportunity for your wedding album.

Reach out to Doug, and let's come up with something special!
